## ABSTRACT

This invention can do air bleeding work more easy way, no more trouble way, so save efforts and time. Also solves vapor lock problem easy way.

And the air bleeding nipple is stuck up or the working room for moving hand for the air bleeding work is very small or cannot reach easy way, so if the air bleeding work is in trouble, half auto air bleeding cylinder solves the trouble easy way and faster. Vapor lock problem is solved fast way, not too long by this half auto air bleeding cylinder.
